### SUMMARY

#### Synopsis of Bill

Senate Bill 1001 appropriates \$25,000 from the general fund to the Cultural Affairs Department (DCA) in FY06 to contract for a flamenco dance performance for the tricentennial celebration of the City of Albuquerque.

#### Significant Issues

The City of Albuquerque was founded on April 23, 1706. The City is currently planning a Tricentennial Celebration that will be a thirteen-month gala event starting in early April 2005 ending in April 2006. The Albuquerque Tricentennial Committee is planning a diverse calendar of events over this time, including parades, festivals, concerts, re-enactments, lecture series, art exhibits, educational activities, sporting events and more. The Tricentennial Committee will be highlighting the rich cultural diversity. The City of Albuquerque hopes to instill a renewed culture in the State's multicultural society and inspire an appreciation of New Mexico's history. The funding in this bill will help highlight one aspect of the many cultures that comprise the city of Albuquerque.

The event will appeal to visitors from other states and from abroad, with positive impacts on the state's tourism industry.

**FISCAL IMPLICATIONS**

The appropriation of \$25,000 contained in this bill is a non-recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of FY06 would revert to the general fund.

**CONFLICT, DUPLICATION, COMPANIONSHIP, RELATIONSHIP**

SB1001 relates to HB895 which would appropriate \$1.5 million to DCA for education about and promotion and operation of Albuquerque's Tricentennial celebration.

**TECHNICAL ISSUES**

If multiple legislators wish to appropriate funds for the Tricentennial, it might be useful to appropriate the funds to one agency. SB1001 would appropriate to the Cultural Affairs Department for this purpose; HB895 would appropriate to DFA.
